ISAIAH 9:2 “*The people who have walked in darkness have seen a great light; those who dwell in the land of the shadow of death, upon them a light has shone.*”

Myra’s husband Mac is recovering well from his triple bypass.

We are excited about Mitchell and his father coming in February to put up the exterior 2nd level walls. Please donate at [paypal.me/Myra/Mac31117](https://www.paypal.com/donate/?url=https://www.paypal.me/MyraMac31117) to pay for cement and cinder blocks.

Our students in elementary, Junior High, Senior High and University successfully completed their school year. Jose graduated from Senior High and will be studying Computer Science next year. Eric, who from birth has had health issues, graduated from the 6th grade.

Our great staff held the yearly VBS. Many of our youth helped to make the week a time of learning more about Jesus while having fun.

Students needing Support

Eric, youngest of 5, was one child that many thought would not live. He has survived and even though his health is still delicate, he begins 7th grade in January. The ministry has helped to pay his medical needs and his periodic visits to Guatemala City for treatments for his lungs. His mom is a domestic and the father is not present.

Geraldo, youngest of three, had a very bad reputation in the community as a very unruly young kid. He has been with the ministry for the past four years and his demeaned has improved over time. We are encouraged in the Lord for this young man who will be entering the 7th grade in January. This year Geraldo was one of our helpers in the VBS with the younger children.
