

Ministerio Comedor y Educación de Paz, Chiquimula

ISAIAH 9:2 “ The people who have walked in darkness have seen a great light; those who dwelt in the land of the shadow of death, upon them a light has shone.”

Myra and Mac returned from Mac's project trip to Rwanda, Africa early in May and were diagnosed positive with Covid-19. They are recovering well.

The fundraiser for 77 replacement filters and 10 new water filters was successfully completed and the items are being ordered for June.

Pastor Giovanny and wife Escarlin as well as Gilma have continued with the ministry, holding Sunday and Wednesday evening services, youth meetings, men's and women's meetings.

They also are visiting the community to encourage and counsel individuals.

Water Purifiers and Replacement Filters Project

I would like to take this opportunity to thank each and every one of you who made a decision to support our fundraising effort to supply both water purifiers and water purifier replacement filters for our residents in Chiquimula. You have no idea the impact that your generosity has had upon a community that does not have the resources to provide clean water to their families.

Altogether, we raised a total of \$2,641.00. We are now more than equipped to address our dear friends in Chiquimula to assure they have access to clean water.

Again, much thanks for a successful campaign, and we look forward to your continued support next year
