

# Ministerio Comedor y Educación de Paz, Chiquimula

*ISAIAH 9:2 “ The people who have walked in darkness have seen a great light; those who dwelt in the land of the shadow of death, upon them a light has shone.”*

Myra and Mac are doing well in the states and are looking forward to returning to Guatemala in early September.

Pastor Giovanny and wife Escarlin have been doing a marvelous job with the church as well as the Women's and Men's ministry and the Youth encouraging, teaching and lifting up the name of Jesus.

Our dear Gilma has continued to use her gifts as an administrator scheduling events, purchasing needed foods and supplies, paying bills, managing the finances, filling in when needed to minister to the Women and the Youth ministry while encouraging people in the way only she can.

Thank you Francisco for cutting the boys hair

We are excited that in July with the donations from the fundraiser 20 purifiers and 98 replacement filters will be delivered and distributed to the families. Since we exceeded our original goal, we purchased more water purifiers and replacement filters that can be used next year.

### **Water Purifiers and Replacement Filters Project**

I would like to take this opportunity to thank each and every one of you who made a decision to support our fundraising effort to supply both water purifiers and water purifier replacement filters for our residents in Chiquimula. You have no idea the impact that your generosity has had upon a community that does not have the resources to provide clean water to their families.

Altogether, we raised a total of \$2,641.00. We are now more than equipped to address our dear friends in Chiquimula to assure they have access to clean water.

Again, much thanks for a successful campaign, and we look forward to your continued support next year
