

# Ministerio Comedor y Educación de Paz, Chiquimula

*ISAIAH 9:2 “ The people who have walked in darkness have seen a great light; those who dwelt in the land of the shadow of death, upon them a light has shone.”*

Myra and Mac are now in Guatemala for the next 6 months.

The ministry is going well with the church being led by pastor Giovanni and his wife Escarlin. The pandemic is ongoing but church services, Women, Men and youth meetings continue with safety protocols in place.

The school year is coming to an end at the end of November. The children are being measured for shoes. School may not return to in-person classes next year so tennis will be given out so that they will have new foot wear for the year.

The ministry has upwards of nine potential new graduates from elementary school who will be entering Junior High school and one graduating and planning to attend university.

Some of this years 6th grade graduates who will need support next year to study at the 7th grade level. They will also need cell phones to study remotely.

# 15th Birthday Celebration

This year as every year we celebrated the 15th birthday of three young ladies. It was a joyous celebration including the pastor's daughter Ana.

We were to celebrate four young ladies but sadly she is in hiding from her father because of sexual abuse. Please pray for Fernanda.

# Youth meetings

The youth are caring for our Elderly Neighbors by visiting with them, praying for them, and providing food and hygiene products. They donated from their own resources (parents) and once a month will deliver the food to 2 elderly couples who need help.

Please pray for one of the ladies who is dealing with serious health issues. The ministry took her to a private hospital because the general and free hospital is filled with Covid cases. We were able to buy her medicine and are praying for her recovery.
