

# Ministerio Comedor y Educación de Paz, Chiquimula

*ISAIAH 9:2 “ The people who have walked in darkness have seen a great light; those who dwelt in the land of the shadow of death, upon them a light has shone.”*

We have been in Guatemala for the past two months and loving every moment of our time.

Mac has found his niche with the music ministry as well as doing what he loves most, visiting and praying for those in need. He is also learning the language very well.

This month we bid goodbye to pastor Jeovanny and his wife Escarlin. They will be pastoring another church. We thank them for their time with us.

We will no longer hold church services within the ministry. We will continue with the women's, men's, youth and children's ministry sharing the word with love and the unction of the Holy Spirit.

We will continue with school scholarship for students in Junior, Senior High and the University students who have a 85% average and above.

We will continue with the adult education program for adults 15 and older for the elementary level and next year begin with the Junior high and Senior High adult education program.

We are grateful for the blessings God has given us through the prayers, love and donations of so many.

## Women's Ministry
