

# Ministerio Comedor Y Educacion De Paz, Chiquimula

**ISAIAH 9:2 “ The people who have walked in darkness have seen a great light; those who dwelt in the land of the shadow of death, upon them a light has shone.”**

Mac and Myra are now in the states and the ministry is in the capable hands of Gilma. Irma helps part-time with the women, Danny and his wife Andrea are working on Saturdays with the youth, Amy and Sarita are working on Fridays in the office and on Saturdays helping with the youth. Currently Miguel is coming on Sundays sharing the word and the youth work with the children.

# Guatemalan Independence Day

This year Guatemala celebrated 202 years of independence. There were parades and parties to celebrate. The elementary level of the Adult Education program decorated the building and held their own celebration with patriotic symbols, food and native costumes.

Future barber

Erlin

In the spirit of giving back, a group of apprentice barbers volunteered to cut hair of people in the community at the ministry site.

The ministry had a problem with the pump and Erlin fixed it. He is a former sponsored student who now has his own small electrical business. He always makes himself available to help when the ministry has an electrical need.

# August/September activities with the Women's ministry, Children's ministry, Youth ministry and Adult visitation

## Prayers for Abuelita Maria

This is Maria Maldonado, mother and grandmother of many, 80 years of age and a serious woman of God. This beautiful lady was still cutting down tree limbs for her fire in August. When the youth climbed steep hills to visit and bring food and toiletries, she prayed for them! She faithfully attended the women's ministry on Wednesdays. She has become ill and her family has sent her to live with other family in Honduras so she can be cared for. We will miss her.

In January 2024 the new school year begins. Below are photos of five of our students who will be graduating from Senior High this November 2023. They will be needing computer tablets with keyboards, which is cheaper than a computer, but serves the purpose. Please consider helping to buy these items estimated at \$200 a piece that will be purchased in Guatemala to enhance the economy .
