ISAIAH 9:2 “ The people who have walked in darkness have seen a great light; those who dwelt in the land of the shadow of death, upon them a light has shone.”

Mac and Myra are ending their time in the states soon and will be returning to Guatemala in early December.

The school year is coming to an end in late November for our students in Guatemala. This was the first year that the students had returned to classes since 2020 due to the pandemic. It was a adjustment for each of them but the year is ending well. Some of the students are in their last days of exams.

Youth Ministry: The youth ministry has the largest amount of attendees ranging in age from 12 to 22 with over 50 members. Danny is doing an excellent work with them from teaching, personal discussions, outreach, prayer and games.

The ministry had another need. One of the metal doors that lead out side needed a paint job. Erlin volunteered immediately. Even though he is busy with his growing electrical company, he always finds time to show his gratitude to God for the ministry providing him an education. Myra posted this on FB and one of his former teachers commented how he was always an helpful, well mannered student. We are very proud of him.
