

Ministerio Comedor y Educación de Paz, Chiquimula

ISAIAH 9:2 “The people who have walked in darkness have seen a great light; those who dwelt in the land of the shadow of death, upon them a light has shone.”

1st group stove

July was a month of celebrating the goodness of God through visitors who came to bless the people of Chiquimula. First came a group from Park Valley church in Va. One member Josh stayed and continued helping out with the 2nd level construction. The second group came from Stronghold Baptist Church in Philadelphia with two Baltimore members of the group representing Huber Memorial Church and Forest Park Community Church.

2nd group stove

Giving out beans, rice and corn meal

Blessings of July

A medical clinic was held by the 2nd group. Between the two groups six stoves were installed, 23 water purifiers & 47 replacement filters given out. They also distributed 600 lbs of beans and rice and 160 2 lbs bags of corn meal. As they visited the homes they impacted the people with their presence and their prayers.

The 2nd group provided the funds to celebrate this year's two quincineras. Without their support we could not have been able to provide the dresses, rings, crowns, shoes and jewelry for this special occasion.

Prayer Requests

Good relations with staff
 Salvation for many
 Short and long term volunteers
 Support for students
 Second level built
 Myra's family
 Joy in the journey

We are in Phase II of the building project. Josh Langhorne was with us for a month and did an incredible job smoothing and leveling out the second floor.

Needs for Phase II include the following installations: security bars for windows, drywall, toilets and bathroom basins, electrical wiring, ceiling fans, doors, paint for rooms, finish exterior walls and other miscellaneous items.

Please pray for this effort and helping us with your tax deductible gifts and volunteerism. We simply cannot accomplish any of these things without the prayers and giving of our supporters. The current Phase II project has an estimated cost of \$10, 000 to \$15,000 with minimal Guatemalan labor.
