ISAIAH 9:2 “ The people who have walked in darkness have seen a great light; those who dwelt in the land of the shadow of death, upon them a light has shone.”

This month begins our month of graduations. We are so thankful for the hard work the young people have put in to achieve their goals and are looking forward to the successes of the future graduates. We give God all the glory for bringing us this far and for the support from donors who have individually supported our students financially and in their prayers.

The children are using the unfinished upper level to hold Sunday school classes. Gilma, Andrea, Mercy and Arlett are our primary teachers with help from some of the older boys and girls.

We'd like to include a stage and a classroom for the smaller children with a open area for the older ones with music, chalk walls and area for combined kiddie praise and worship. We are so looking forward to being able to complete it.

We need security bars for windows, doors, electricity, dry walls, toilets, sinks, railing for steps, fans, paint, cover exterior walls and beds for two guest rooms at an estimated cost of \$10,000 to \$15,000 USD.

Volunteers are always welcome to come to help with the ministry as well as with the construction.
