ISAIAH 9:2 “ The people who have walked in darkness have seen a great light; those who dwelt in the land of the shadow of death, upon them a light has shone.”

Greetings from the USA. We, Mac and I will be returning home to Guatemala in early December. We took some time this month to rest and recuperate from our trip to Rwanda and the Congo. We did make a visit to Philadelphia for a missions conference.

On the home front in Guatemala the staff had been very busy with continuing graduations from pre-K, elementary, junior high, senior high and university. We are so proud of their achievements.

School is over for the year. The school year generally ends for most levels October and for the higher levels November or even December.

The staff held their annual Vacation Bible School while the children are on school vacation. The children look forward to this event every year. Some of the older children helped the staff during that week.

Ronald, 18 graduated from Junior High and also completed two years studying at a tech school to be a mechanic. He is second oldest of six and the first to graduate at this level.

A group of graduates, as their civic project, chose our ministry to bless with baskets of food for five families . Gilma chose the families to receive the baskets based on their consistent participation in the ministry.

Ice Cream with Gilma

Our special 1st grade students ages 9 through 13 were treated by Gilma for passing their year. She tutored them in reading. Their other subjects they passed with little or no help even though they had never held a pencil before. These precious children are so happy to be able to study.

Second Level Construction Update

We are very excited about the progress of the second floor construction. In less than two years the Lord has provided the external walls, security bars, windows, roof, dry wall, doors, electricity, two toilets and painting completed.

In January 2020 Mitch and Ernie Loxton are coming again to lay the floor on the second level as well as put in shelving and a storage closet. We need to provide the material only. What a blessing! We need about \$4000 to cover the cost of the material.

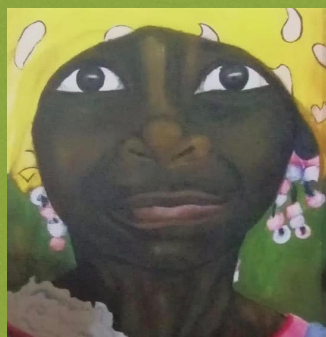

We are trusting God to provide our every need. He is faithful.

Guatemalan Coffee and Myra's Art

Each year we have more and more children graduating from elementary school. We promise to help them through a \$40 a month scholarship program to complete Junior and Senior High and some even university. We can always use more sponsors. We are excited to present Guatemalan coffee and Myra's artwork for sale to also help with the cost of sending our children to school. We will be bringing coffee to the states again in March. Please email for more information at angeldaniel@mcyep.org or see STORE page of the website www.mcyep.org for the artwork available.
