ISAIAH 9:2 “The people who have walked in darkness have seen a great light; those who dwelt in the land of the shadow of death, upon them a light has shone.”

Hello from the USA. We arrived early March confident that the ministry will be in good hands with pastor Julio, Gilma and Raquel.

February was a month of miracles. One of our young men, who was funded by our ministry to study to become a pastry chef, fell ill with a fungal infection in his brain. He was gravely ill BUT God had other plans for him. He went from comatose to waking up to going home within a month! Many people prayed for him in Guatemala and in the states. He is a very loved young man. We are thankful to God for healing Andy and bringing him back to those who love him.

Our Canadian Visitors

Before Myra left for the states she met with the Women . She felt led to pray for each one individually. From that she surmised some of the women had a joy and a peace that enables them to live victoriously in the midst of their troubles. Many of the women have the same issues and she decided that it was time for them to share with the other women whatever God places on their hearts. She is excited to hear how the Lord is going to use these women to help the others to have joy, peace and victory .

Second Level Construction Update

We are very excited about the progress of the second floor construction. In less than two years the Lord has provided the external walls, security bars, windows, roof, dry wall, doors, electricity, two toilets and painting completed.

Mitch and Ernie Loxton laid half the floor tile for the second level and completed the bathroom installation. The next step is to finish the rest of the flooring, fans, make storage closets and finish the upper outside front level of the building. We are trusting God to provide. He is faithful.

Guatemalan Coffee and Myra's Art

Each year we have more and more children graduating from elementary school. We promise to help them through a \$40 a month scholarship program to complete Junior and Senior High and some even university. We can always use more sponsors. We are excited to present Guatemalan coffee and Myra's artwork for sale to also help with the cost of sending our children to school. We will be bringing coffee to the states again in March. Please email for more information at angeldaniel@mcyep.org or see STORE page of the website www.mcyep.org for the artwork available.
