ISAIAH 9:2 “*The people who have walked in darkness have seen a great light; those who dwelt in the land of the shadow of death, upon them a light has shone.*”

Myra and Mac arrived in the USA early March and were able to attend Colonial Baptist Church’s annual Missions conference. They shared as a couple with the couples class, attended sessions led by other missionaries, and shared about their individual ministries. Myra was able as a fund raiser to sell Guatemalan coffee and some of her art pieces. God richly blessed their time there.

They were scheduled to share at several more conferences and churches before returning to Guatemala in July... BUT the corona virus has put all of that on hold. They are healthy and waiting for the lock down to lift.

Guatemala as well as other countries in the world is also on lock down. They are not fairing as well economically as the states. There is no assistance and many who were already dealing with hardships (food, shelter, water) are fairing much worse. On the next page there is an opportunity on giving Tuesday to donate towards buying food for the poor in Guatemala. Our desire is to help those in need as long as it takes. So pray and consider Giving Tuesday as well as any other day you wish to help feed the poor.

Prayer Requests

- Good relations with staff
- Salvation for many
- Short and long term volunteers
- Support for students
- Second level built
- Myra’s family
- Joy in the journey

MINISTERIO COMEDOR
Y EDUCACIÓN DE PAZ
CHIQUMULA

Next Tuesday May 5th there is an opportunity for non profits to receive donations to help their projects. Our project is always the poor in Guatemala. Now more than ever the need is great because of the Covid-19 pandemic. As a ministry we have been able to send money for food periodically but more is needed . We understand that not all can give . If you are able your gift of any size will help the poor in Guatemala . A \$10 donation would provide 15 pound of beans enough for a month! Please click on mcyep.org/donate to help feed the poor in Guatemala.

Our Ministry Efforts

We are grateful to Gilma and pastor Julio for holding down the fort in Guatemala. Since the schools were closed the month of April we decided to use the school scholarship fund to provide beans, rice and corn meal to feed 90 families. More food is needed to cover their daily needs. We are hopeful with donations we can help these families during these trying times.
