All is well with Mac and Myra in Baltimore. We rejoice in the Lord with how he is caring for us and our dear friends, family and the people we serve in Guatemala and in the USA.

Guatemala has over 90,000 cases but with close to 80,000 recovered! Please pray for the president of Guatemala who is recovering well.

The majority of our youth are still studying from home via internet and purchasing materials for projects. We are thankful for the school scholarship program supporters who continue to support our students with their donations.

We purchased and gave out more water purifiers because of the generous donations we received. We continue to distribute food twice a month. In the month of September 1600 pounds of beans and rice as well as 576 pounds of corn meal.

Things are opening up a little with the church opening its doors with limitations and social distancing. Pastor Julio is no longer with us and we temporarily have a local pastor and his wife holding small services of 10 people on Sunday and Wednesday evenings. Gilma meets with 10 women every two weeks and Kevin Cordero meets with 10 young people in different groups of youth every Saturday.

We are thankful for those who helped us last month to be able to provide food for those in need. Please consider sending as little as \$10 to [www.mcyep.org/donate](http://www.mcyep.org/donate) to help feed the needy.
