All is well with Mac and Myra as they prepare to return to Guatemala in January after celebrating the home-going of Myra's sister.

Thankful for Gilma who kept the ministry running well by purchasing the beans, rice and corn meal plus a four pound chicken to give out to 95 families for Christmas. She also led the Women's ministry, paid the ministry bills and with new worker Mariana kept the building clean and sanitary for services. She also organized a Christmas celebration for the small staff and volunteer's families.

Thankful for pastor Giovanni and his wife Escarlin as they led the church services twice a week.

There is so much to look forward to in the new year coming...Fellowship with pastor Giovanni and family, new students entering Junior High, celebrating the 15th birthdays of four young girls, sharing with the women, praying for the men's fellowship, seeing the youth growing in Christ, feeding families in need, and continuing with the adult education program for the elementary level.

# Education 2020

97% Average

This year we had one student who graduated from Senior High. We are celebrating Rebeca of whom we are very proud. She graduated with a 97 % average.

## Giving Tuesday Update

On giving Tuesday we sent out a request to support 10 students in 2021. Happily I can report that with the donations received through Facebook, paypal designated donations, checks designated to school scholarship and two people who selected one or more students to support All OF OUR STUDENTS are fully supported for 2021!!

## Adult Education Elementary School Graduation and Promotion

Our Adult Education Elementary course allows students 15 and older who have not finished the elementary school level to study. There are three levels that can be completed in three years. This year 14 people graduated and 5 people were promoted to the third level. The school is certified under the jurisdiction of the Guatemalan Department of Education who supplies the teacher and books. The ministry supplies the location.
