

Ministerio Comedor y Educación de Paz, Chiquimula

ISAIAH 9:2 “ The people who have walked in darkness have seen a great light; those who dwelt in the land of the shadow of death, upon them a light has shone.”

Myra and Mac are doing well in the states and are looking forward to returning to Guatemala in early September.

The ministry is going well with the church being led by pastor Giovanni and his wife Escarlin.

Gilma leads the administration by making sure the scholarship sponsored young people receive their monthly funds among her many other duties.

Pastor Giovanni joined with Gilma and some of the praise group that pastora Escarlin leads to celebrate her 38th birthday.

Youth Ministry

We are so proud of our youth. 2020 and 2021 school years has been very tough for them. They were isolated at home for most of 2020 and were using phones to work on projects. Some of the students had to work only during the day light hours because at night there was insufficient lighting to do their homework. They made it through 2020. Our Senior High graduate in 2020 graduated with a 97 average and is now in University.

Here we are in 2021 and the struggles continue but most of the students are doing excellently with averages of 80 and above in their report cards! Their biggest hurdle now, especially for the Senior High students, is getting computers.

We, as a ministry, are committed to encourage them, nurture them and pray for them in the Lord. We know that this is the time for them to grow in their relationship with Jesus. We believe the pandemic has been a form of a test for them to see that truly unexpected things do happen in life but that they can go forward and achieve their dreams. Our thanks for those of you who help in that endeavor.

We are excited that in July with the donations from the fundraiser 20 purifiers and 98 replacement filters were delivered and distributed to the families.
